

Henvey Inlet FN - FoodCycler Pilot Program

Join Henvey Inlet in tackling food waste by piloting FoodCycler technology in your home!

To encourage at-home composting and reduce the amount of organic material going to the landfill, the community of Henvey Inlet is partnering with [FoodCycle Science](#) to host a pilot program for Henvey Inlet residents with the FoodCycler countertop composter system.

FoodCycle Science offers a Pilot Program that is subsidized and supported by

Impact Canada through funding received from the Government of Canada. Through this collaboration, Henvey Inlet has secured limited units.

The basics of the pilot program is:

- Receive a FoodCycler
- Track the number of cycles over a 12-week period with provided tracking sheet
- Complete the survey provided at the end of the 12-week period

**** Limited Amount of Discounted FoodCyclers Available! ****

[Registration Form](#)

Complete the Registration form here: <https://www.surveymonkey.com/r/5QKKXXS>

A paper copy of the registration form can also be picked up at the Office if required.
