## MEMORANDUM

To: Registered Members of Henvey Inlet First Nation  
Fr: Millie Pawis, Director of Finance/Administration  
Dt: November 26, 2019  
Re: **Equalized Distribution - \$1,000**

---

Chief and Council will be issuing every registered member of Henvey Inlet First Nation the sum of \$1,000 again this year.

You are receiving this one-time form of payment as a gift from initial proceeds that Henvey Inlet First Nation has received from the Henvey Inlet Wind Farm Project. The plan to distribute these monies was discussed at great length at the recent Band Membership Meeting as well on September 6, 2019 and October 7, 2019.

*Parents or legal guardians of children under 18yrs of age registered to Henvey Inlet First Nation need to contact the Administration office with their respective children's full names, dates of birth and registration numbers, we will require a copy of a status card or official confirmation of status. Official Registration document showing that the process of registration has been started to register your child/ren with Henvey Inlet First Nation will be accepted. The registration process must have been started prior to the date of this memo.*

Payments will be made via direct deposit, and we require a "Direct Deposit Form" along with a valid email address to the Administration office. In the event this form is not received, a cheque will be issued and mailed to the address we have on file. If you do not have your direct deposit information in, we ask that you submit it prior to December 13, 2019.

We will be allowing members a window of one year ending as of the date of this memo, November 26, 2020 to provide proof of valid registration in order to be eligible for this payment. The purpose of this window is in consideration of the length of time it takes for the registration process to be completed.

If you have any questions or concerns please contact our administration office and ask to speak with Chief Wayne McQuabbie, or Millie Pawis, Director of Finance/Administration.

**If the event that dependents are deemed ineligible for status then Henvey Inlet First Nation considers this an overpayment and will expect all funds to be repaid to Henvey Inlet.**

Thank you.
